WILLOW CREEK II COMMUNITY NEWSLETTER

REPORTING CRIME

It is of the utmost importance that all Residents call the police when they see a crime in progress.

It is very difficult to work with information from weeks ago or 3rd party information. The police are here to help you, and the best way to catch criminals and make Willow Creek a safe community is to report crimes immediately.

If you want to report suspicious activity please contact willowcreek@first-commercial.com AS IT IS HAPPENING. We also have a dedicated security phone number that also accepts texts to be used for security related issues. That number is 918-549-5514. Thank you for your cooperation in this important matter.

VEHICLE REGISTRATION

Registration of vehicles is incredibly important.

There has been a series of stolen vehicles dropped on property. Police, security and management are on site regularly to monitor the parking situation.

Please be certain all cars are registered and license plates are current.

CHILI COOKOFF SUCCESS

Recently, several members of the Willow Creek II Community got together for a chili cook off social.

Prizes were awarded for best chili and best dish, and door prizes and goodie bags were handed out. During this time of Covid-19 and social distancing, it's great to see Residents taking initiative and safely getting together to further a sense of community. They are hoping to make this an annual tradition, and we look forward to it next year!

If you are interested in helping plan future events, you can **email John Paul Scherer**.
