

SUMMER, 2022

WILLOW CREEK II COMMUNITY NEWSLETTER

Upcoming Open Meeting

Mark your calendars! Willow Creek II will have an open meeting on Wednesday, June 15th at the Hardesty Library, 8316 E 93rd St, Tulsa, OK 74133, at 5:30 pm. We look forward to seeing you there!

Email Reminder

Need to get in touch with us? Please use willowcreek@first-commercial.com as the most effective way to reach us. Sending emails to specific team members will slow response times and lead to us possibly not receiving your email. Toni has moved to a different department within First Commercial, so please send all communication to the willow creek email address.

Pool Update

Due to a nationwide shortage in hardware availability, we are still waiting on the pool equipment to be fixed. Holders Security is working diligently on the problem, and will resolve the matter as quickly as possible.

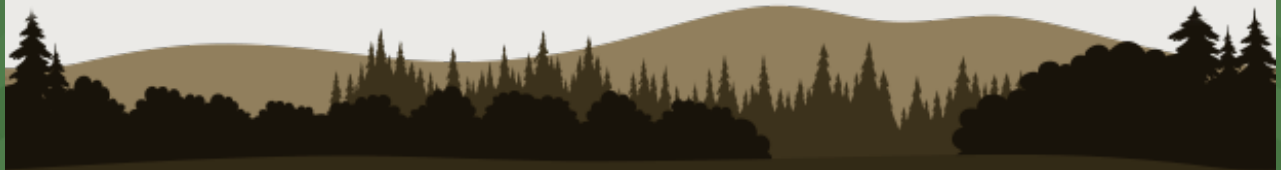

Vehicle Registration

All vehicles need to be registered and display a parking sticker. Stickers cannot be mailed as the mail is too unreliable at this time.

Reminder

Do not send any maintenance request via text. ALL maintenance request and concerns need to be addressed via the online Appfoilo portal or willowcreek@first-commercial.com - Text messages are not monitored regularly.
